

**Sandy Springs
Buffalo Farm
Hinton**

Sandy Springs Buffalo Farm, Hinton Historical Museum & Cherokee Trading Post

ReCreation Adventure Tours

May 17, 2018

**Depart from Putnam City
Baptist Church on Red
Carpet Charter at 8:30am
and return to church at
approximately 4:00pm**

Trip Includes:

- **Unique experience at Sandy Springs Buffalo Farm in Hinton where you'll see a buffalo herd, and hear interesting information about the buffalo. There is one special buffalo that has been raised as a pet-and you will get to pet it and have your picture taken with it if you like. The farm features the award-winning buffalo, Chief Bud, and other award winners as well. You'll also enjoy a great lunch; make your own taco salad with optional buffalo meat.**
- **Enjoy the Hinton Historical Museum where you'll view the progression of washing machines from the scrub board to the wringer washer, seven antique cars from a 1903 Oldsmobile to Model T's and Edsels and also bicycles from an 1870's high-wheel to models from the 1960's. There is also a collection of old telephones which have all been restored to working order.**
- **Next door to the museum, you'll visit the Parker House with local and state history. It is home to Oklahoma's largest horse carriage collection and the nation's third largest barb wire collection.**
- **Time for shopping at the Cherokee Trading Post near Calumet, one of Oklahoma's finest gift shops with over 100,000 items including turquoise jewelry, pottery, authentic Indian handicrafts and much, much more.**
